Projects

Quick Complaint Box

Full-Stack Web Application

- Developed a complaint management system to submit, track, and manage user issues efficiently
- Implemented secure authentication and authorization using JWT and protected routes
- Designed RESTful APIs for complaint creation, retrieval, and status updates
- Built responsive frontend using React and optimized API communication with Axios
- Integrated MongoDB for scalable data storage and efficient querying
- **Tech Stack:** React.js, Node.js, Express.js, MongoDB, JWT, REST APIs

Smart Task Manager

Frontend Application

- Developed a responsive task management system using HTML, CSS, and JavaScript
- Implemented CRUD functionality for adding, editing, and deleting tasks in the browser
- Designed a user-friendly interface for efficient task tracking and productivity
- Optimized DOM manipulation and dynamic updates for smooth user experience
- **Tech Stack:** HTML, CSS, JavaScript

Gym Tracker

Frontend Application

- Developed a responsive workout tracking system using React Hooks and state management
- Built reusable UI components and optimized rendering performance
- Implemented dynamic UI updates for enhanced user interaction
- **Tech Stack:** React.js, JavaScript, HTML, Tailwind CSS

Experience

Research Intern AI/ML Water Quality Assessment

Intern

- Contributed to data preprocessing and feature engineering for predictive models
- Assisted in model evaluation and analysis to improve prediction accuracy

Skills

Languages: Java, JavaScript, Python

Frontend: React.js, HTML5, CSS3, Tailwind CSS

Backend: Node.js, Express.js

Databases: MongoDB, SQLite

Core: Data Structures & Algorithms, OOP, REST APIs, Authentication

Tools: Git, GitHub, VS Code, Postman

Education

SRM University

B.Tech in Computer Science

GPA: 9.0

Achievements & Certifications

- Oracle Certified Professional Java SE 17 Developer
- Participated in hackathons with focus on team-based problem solving and rapid prototyping
- Gained hands-on experience in full-stack development and debugging
